Technical Data

Table cover size:

STEP 2

Accessory Package List

No.	Workstation	No.	Keyboard Tray	No.	Cable Ties
A	 x1	B	 x1	C	 x4
No.	Cable Management	No.	Power Adapter	No.	Power Cord
D	 x1	E		F	

Connect the keyboard tray to the desktop plate.
a. Unlock the handle grips on both sides then attach the keyboard tray as shown in the diagram.
b. Lock the handles down to finish assembly.

Remove the keyboard tray
Please open the handle grips on both sides, then take out the keyboard tray.

STEP 3

Install adapter and power cord

Do not place your hands near the strut during adjustments. The angle of the strut joints will change during the adjustment of the desktop height and it may hurt you.

STEP 4

Place your computer devices onto the worktop of the sit-stand desk.

Please make sure all the devices are stably placed on the desktop. Do not exceed the edge of the desktop to prevent property damage or personal injury.

STEP 5

1 Manage the cables using cable sleeve.

2

Manage the cables using the cable ties. They can be attached to the surface of the desk.

Cable Tie

Cable

Do not tie the cables too tight. Allow the devices to move vertically to prevent property damage or personal injury.

How to use handswitch

●	“▲”	UP button, used to lift the desk surface
●	“▼”	DOWN button, used to lower the desk surface
